"I use the NC 30" Long Arm for my top stitching. The machine produces great long stitches and made my seats pop even more. I also buy my paint protection tapes from NC for my customer cars and trucks." - **Shannon @ Interiors By Shannon**

NC MACHINES: PIONEERING THE INDUSTRY

The NC Advantage:

- Industry Expertise Since 1947
- Family Owned USA Machine Manufacturer
- Extended Machine Warranties
- Same Day Tech Support Via Phone
- 24 Hour Repair Service
- Same Day Supply Shipping
- SEMA Exhibitor Since 2008
- Sponsor Of 'The Hog Ring'

"Having been in the automotive upholstery business for the good part of the past 45 years I have had the opportunity to use several brands of sewing machines. I was introduced to Mal and the NC Carpet group several years back and was very impressed by their professionalism, expertise and quality of their machines. Mal carries an entire line of sewing machine to meet everyone's need and price range. From the single and double needle machines to the long arms and decorative stitch machines each one that I have operated has been flawless. I would highly recommend any of the sewing machines that NC Carpet sells." - **Harry Weimann-VP @ Wyotech & Owner @ Weimann's Interiors**
